Housing Authorities of the City of Washburn & County of Bayfield

Thank You to Tenants

Thank you all for performing so well during the annual inspections this year. We do annual inspections every year so that we can fix any maintenance issues you may have and make sure that your home is in a good state.

We appreciate all the effort that you put into your home on a daily basis. At the Housing Authority, our mission is to provide quality, affordable housing which is decent and safe. We want to acknowledge everything that you do to make your home and community a comfortable place. So, thank you for all that you have done and are doing.

Please remember to let the office know when maintenance issues occur. Keep on top of your housekeeping to make sure that you have a safe and clean home that you can be proud of. For those of you making long distance calls, please call us toll free at: 1-844-737-8439.

Thank you.

From the Staff of the
City of Washburn and Bayfield County Housing Authorities

Renters Insurance

Many renters are under the impression that their landlord’s insurance policy will cover their belongings, unfortunately that generally is not the case. Your landlord’s policy covers the building itself, but it may not include your personal belongings, and may not cover injuries sustained within the structure. That’s where renter’s insurance comes in.

Renter’s insurance protects your personal property in a rented apartment, condo or home from unexpected circumstances such as theft, a fire, or sewer backup damage – and will pay you for lost or damaged possessions. It can also help protect you from liability if someone is injured on your property.

Renters insurance is similar in scope to homeowner’s insurance, with the exception that it does not provide coverage for the dwelling itself or other structures. On average, rental insurance costs \$5-17 per month depending on coverage. When shopping for renters insurance:

1. Get quotes from several different companies.
2. When comparing prices, be sure you understand the coverage each policy provides. A less expensive policy could provide less coverage.

Living without the protection of a renter’s policy may become a mistake a tenant cannot afford to make.

Humor

1. Why couldn’t the bike stand up? 2. Why didn’t the sun go to college?
3. Why did the golfer bring two pairs of pants to the course?

REMINDERS

Lawn Care

It is important to remember to keep our lawns clear of personal items and debris. This ensures that it will not be run over by the lawn mower.

- Grassy areas must be kept free of any items that will interfere with lawn care. Flowerpots, lawn ornaments, etc. must remain off mowed areas.
- Flowerpots are allowed on either porch areas or in the rock/wood chip areas outside the building.
- Tenants may NOT dig up any lawn areas or remove rock/wood chips to plant flowers, etc.

If you have questions on where you can place things, please call the office.

The Housing Authority will NOT be responsible for any damaged items that are in or near mowed areas.

Recyclables

Plastic bags **CANNOT** go in the recyclables. If you want an easy way to carry your recyclables out, collect them in a brown-paper grocery bag or some other manageable container, then empty them directly into the recyclables dumpster and reuse the bag or container.

NO PLASTIC BAGS

OK TO FLUSH:

- Human Waste
- Toilet Paper

NOT OK TO FLUSH:

- Baby Wipes, including "flushable" wipes
- Paper Towels
- Cotton Swabs
- Tampon/Pads
- * Kitty Litter
- Condoms
- Tissue/Kleenex
- Dental Floss
- Diapers
- Cleaning Pads/Wipes
- * Food

"FLUSHABLE" WIPES AREN'T FLUSHABLE!

Test after test proves that "flushable" wipes don't break down in the sewer.
