OFFICE HOURS

Monday-Thursday

8 a.m.—4 p.m.

Friday—Closed to the Public

Housing Authorities of the City of Washburn & County of Bayfield

Bulk Rate Internet Television Service

Now that all tenants have access to free internet through Norvado, Norvado is able to offer basic internet television services at a bulk rate of \$6 per month per unit.

Tenants would have to purchase their own Firestick (4k Max or newer), Roku device, or an Apple TV box. Norvado HIGHLY recommends using a Firestick over the other devices and using the stick itself versus downloading the streaming app directly to television as it takes up memory and the application can run a little bit slower. Tenants will be able to rely on the Digital Navigator, Eric Faber, to help with the set-up. We anticipate the bulk rate package being available December 1, 2025.

Details regarding this service will be provided as soon as they are available.

Preparation for Winter

As thoughts turn to the changing of seasons, we need to look ahead to winter preparation.

Please clean up yards, gardens, walkways, and patios before snow falls—that may seem a long way from now, but it will be here before you know! This includes putting away:

- Door mats
- Yard decorations
- Garden items
- Yard furniture
- Other items that will obstruct snow removal
- Hoses must be disconnected from faucets to prevent freezing

Keep in mind, maintenance will not know what is under the snow!

Office Closures

In the event of inclement weather, the City of Washburn and Bayfield County Housing Authority office will be closed if the Washburn School District is closed.

Maintenance staff will continue to work in the field as safely as possible. The administrative staff will work remote.

Snow Removal

As winter approaches, please remember to watch for snow plow postings.

Humor

1. How do you make a one disappear?
2. What's the difference between a hippo and a Zippo?
3. Why did the boy keep tripping on September 22?

Answers on Page 2

Heating Season

It is time to prepare for the winter heating season—here is what you as a tenant can do to help keep your apartment warm and reduce heating costs:

- Make sure your windows and doors can properly close and seal. Check every window to make sure it closes tightly. If any repairs are necessary, please call the office to report a work order.
- Do not place appliances (lights, stereos, or televisions) near your thermostat. The heat generated from these devices will not allow your thermostat to work properly and your apartment will be cold.

Conserve Energy:

Tenants are required to conserve energy as a stipulation of their lease.

- DO NOT leave windows/doors open during the heating season—keeping a door or window open is a terrible waste of energy. Tenants caught wasting energy will be in violation of their lease.

Cautions:

- Never use a cooking appliance as a heating source.
- Kerosene or electric space heaters are not permitted.

Work Orders:

Maintenance staff usually receive many callouts for heat trouble when the heat is first turned on. If the outside temperature is still moderate, Maintenance will not respond to over-night callouts.

Rental and Utility Assistance

Heating season runs from October 1 – May 15.

We encourage tenants to seek the resources available to them. Tenants are obligated to be current on rent or have a repayment agreement in place. If these guidelines are not met, the tenant may be asked to vacate or could be evicted from their property.

There are both rental and utility assistance programs available through the state and government agencies. In addition, there are community resources also available. Please take some time to utilize these resources for your benefit.

Shop Small Holiday Market
November 29, 2025; 9 a.m.–3 p.m.

Cost: Admission is free.

The Club; 3 W Bayfield St;
 Washburn

Stop by and shop the smallest of small businesses during the 5th Annual Washburn Chamber Shop Small Holiday Market. Local vendors from all over the Chequamegon Bay area will be selling their unique products just in time for the holidays. Enter to win one of many door prizes provided by the vendors.

The Free Kids Holiday Craft Station will be back again this year brought to you by the Chamber and Kiddiwink Kids.

Santa Arrives on the Ferry – Bayfield

December 13, 2025; 11:30 a.m. – 1:00 p.m.

Cost: Free

Bayfield Lakeside Pavilion; 2 E Front Street, Bayfield

We invite all local children and their families to meet Santa Claus and his Elf as they make a memorable appearance in Bayfield on the Madeline Island Ferry.

11:30 a.m. - Families are welcome to gather outside the Bayfield Lakeside Pavilion to prepare to greet Santa. The pavilion will open once Santa arrives.

11:50 a.m. - Santa Arrives on the Madeline Island Ferry.

Noon-1:00 p.m. - Children and families can visit Santa inside the Pavilion.

Children will have an opportunity to meet Santa, give him a Christmas list, and have a picture taken with their own phone or camera.

Each child will also receive a goody bag and refreshments from the Bayfield Chamber and Visitor Bureau.

ASHLAND ADULT PEER SUPPORT GROUP
